### § 1001.73 Payments to producers and to cooperative associations.

(a) Each handler that is not paying a cooperative association for producer milk shall pay each producer as follows:

(1) *Partial payment.* For each producer who has not discontinued shipments as of the 23rd day of the month, payment shall be made so that it is received by the producer on or before the 26th day of the month (except as provided in § 1000.90) for milk received during the first 15 days of the month at not less than the lowest announced class price for the preceding month, less proper deductions authorized in writing by the producer.

(2) *Final payment.* For milk received during the month, payment shall be made during the following month so it is received by each producer no later than the day after the required date of payment by the Market Administrator, pursuant to § 1001.72, in an amount computed as follows:

(i) Multiply the hundredweight of producer milk received by the producer price differential for the month as adjusted pursuant to § 1001.75;

(ii) Multiply the pounds of butterfat received by the butterfat price for the month;

(iii) Multiply the pounds of protein received by the protein price for the month;

(iv) Multiply the pounds of other solids received by the other solids price for the month; and

(v) Add the amounts computed in paragraphs (a)(2)(i) through (iv) of this section, and from that sum:

(A) Subtract the partial payment made pursuant to paragraph (a)(1) of this section;

(B) Subtract the deduction for marketing services pursuant to § 1000.86;

(C) Add or subtract for errors made in previous payments to the producer; and

(b) One day before partial and final payments are due pursuant to paragraph (a) of this section, each handler

shall pay a cooperative association for milk received as follows:

(1) *Partial payment to a cooperative association for bulk milk received directly from producers' farms.* For bulk milk (including the milk of producers who are not members of such association and who the market administrator determines have authorized the cooperative association to collect payment for their milk) received during the first 15 days of the month from a cooperative association in any capacity, except as the operator of a pool plant, the payment shall be equal to the hundredweight of milk received multiplied by the lowest announced class price for the preceding month.

(2) *Partial payment to a cooperative association for milk transferred from its pool plant.* For bulk milk/skimmed milk products received during the first 15 days of the month from a cooperative association in its capacity as the operator of a pool plant, the partial payment shall be at the pool plant operator's estimated use value of the milk using the most recent class prices available at the receiving plant's location.

(3) *Final payment to a cooperative association for milk transferred from its pool plant.* Following the classification of bulk fluid milk products and bulk fluid cream products received during the month from a cooperative association in its capacity as the operator of a pool plant, the final payment for such receipts shall be determined as follows:

(i) Multiply the hundredweight of Class I skim milk by the Class I skim milk price for the month at the receiving plant;

(ii) Multiply the pounds of Class I butterfat by the Class I butterfat price for the month at the receiving plant;

(iii) Multiply the pounds of nonfat solids in Class II skim milk by the Class II nonfat solids price;

(iv) Multiply the pounds of butterfat in Class II times the Class II butterfat price;

(v) Multiply the pounds of nonfat solids in Class IV milk by the nonfat solids price for the month;

(vi) Multiply the pounds of butterfat in Class III and Class IV milk by the butterfat price for the month;
